WHO AND WHY ARE YOU HELPING

AUTHENTIC HOCKEY

Our group at 4 The Love of PUCK strongly believes in authentic hockey and we know you can't play great hockey without a great venue. Welcome to Groveland Park Rinks!

PARK VOLUNTEERS AND YOUR DONATION

These amazing facilities are run by a small group of volunteers that dedicate their free time to maintain and provide excellent sheets of pristine ice and rinks for the community to enjoy each year.

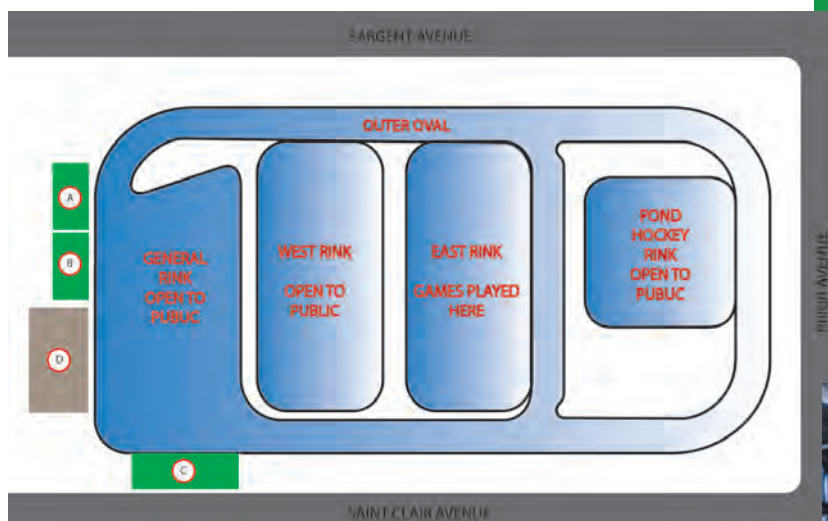

The volunteer work starts in the fall with installing the hockey rinks into the baseball fields, and continues throughout the grueling winter. While we're cozied up in our houses these volunteers are up late flooding the ice, clearing snow and running their notorious zamboni over the frozen playground! They do this all because of their own passion for hockey and the community and volunteers are completely unpaid.

This all becomes more achievable with your help and involvement. Your sponsorship helps to keep the rinks running throughout winter so that they can remain open and free to the public. Sponsorships are also one way to recognize this amazing group of people and the vibrant local community that make up the heart of St. Paul.
